### Orange County RNN Reach Personal Sales for Federal Fiscal Year 05 (Page 1 of 4)

Personal sales are most like traditional nutrition education. Classes are defined as a single class and/or each lesson in a series of separate lessons or professional development sessions. Participation in one class is the sum of individuals attending a single class or one lesson in a series. In a series of classes, each class must be in/alluded in the total number of impressions. Materials distribution is also considered a "personal sales" activity. Please write the name of each item distributed and the number that was distributed.
